

QM46 Sagging or Broken Door Repair Kit!

If your QM46 door keeps coming off hinges or the operator has to keep slamming it closed so the press will run, it is time for a QM46 door repair kit. I have a simple repair kit you can install yourself and save \$HUNDREDS\$ of dollars on costly service or even a new door. This kit contains all the hardware, drill bit and simple to follow instructions to repair both hinges on most doors in about ½ hour leaving them much stronger than they were from the factory. Kits are only \$49 + tax and shipping when applicable. Please call for additional information or to order your kit. Order kit # **QM46DRK**
