# Böttcher Press Washes

## Optima WinWash O-253

Optima WinWash O-253 is a premium water miscible roller and blanket wash. This product deep cleans rollers and blankets so effectively that it will eliminate the frequent need for deglazers. It contains a balanced blend of ingredients to remove both water soluble and solvent soluble glaze in one wash-up step. This is a clear yellow solvent with mild citrus odor. Flashpoint 104°F.

**B253-5** 5gal can \$89.50ea

## Small Press Wash

Small Press Wash is a roller and blanket wash specially designed for the small press market. It is a medium-fast drying wash that is low swell and safe to use. Flashpoint 50°F (20°C).
